Donald Trump's older brother Fred (above) was a member of Sigma Alpha Mu, a Jewish fraternity (above). Donald Trump's brother Fred said that his father, Fred Trump Sr., was the Jewish son of German immigrants.

The White House **National Security Council** (NSC) helps the President of the United States decide national security and foreign policy.

Trump has removed from the National Security Council the **Director of National Intelligence** and the **Chairman of the Joint Chiefs of Staff**.

Trump and the Red Menace, Is Russia the Target?

By Gordon Duff, Senior Editor on January 14, 2017

This is what is going around DC now, and why some are reading how Trump is being “reined in.”

First I begin with Russia. We are going to be going into more detail here but suffice it to say, if Russia is running Trump, we haven’t defined which “Russia” we mean. Trump is solidly connected to Russian oligarchs, some capable business leaders, many gangsters, but nearly all more part of Zionist organizations, more Israeli than Russian.

Please note that we are going to mention “Zionist” from time to time and even mention international banking cabals and the Rothschild family. If I upset some people, they can just perhaps wait a bit for an apology or more likely, be thankful we aren’t having this discussion in person, if you get my meaning.

By Gordon Duff, Senior Editor

A nationwide grass roots organization, directly under White House control, planned attacks on police during the Women’s March according to tapes made at meetings attended in Pennsylvania. The groups are under the direct control of Steve Bannon, Chief Advisor and Counsel to the President.

Bannon is a sworn public servant and government employee.

Women tasked by the Bannon led group with spitting on and slapping police complained that they were “bullied” by women marchers who

saw what they were trying to do and held them back.

Thoughts:

For long term 911 buffs: Eric Hufschmid was half-brother to one of Rupert Murdoch's family. So he is probably Jewish himself (Murdoch is I believe, Jewish).

Also Christopher Bollyn has Jewish parents. I found several years ago that his parents used to go to a synagogue in Chicago. Which means ... Bollyn is of course Jewish himself !!!

Also Bollyn went on the run from the police in the US, and ended up in Estonia. But when he comes back to the country, nothing happens to him. He can go around the country doing talks, and the police do not bat an eyelid. Hmmm ...

Jeff Rense is probably Jewish too since his brother/cousin (can't quite remember now) ran an architectural magazine that was owned by Sumner Redstone, I believe. The Jews like to keep things within the "tribe" so he is probably Jewish. (this is going on very long term memory so excuse the details). But Rense is also a psychopath (see ex-wives), and puts out a lot of disinfo.

The entire alternative media is full of as Michael Collins Piper used to say, Judas Goats. Beware of anyone any everyone.

Also that girl who did the videos on Pizzagate, on the Reality Calls youtube channel. She is now pushing a far-right agenda ... so the chances are she is a Jew too. Any details on her would be really interesting.

(also see Red Ice Radio ... smelly as hell).

Also David Duke, and John De Nugent. Also been rather suspicious about

them as well.

And ... Brother Nathaniel ... just a bit too over the top for me. Smells of something fishy ...

Mike Savage and other Jews need an audience to spread their bs. Probably they don't even believe ten percent of the bs that they say, but if it brings a paycheck in the end of day, and a good living, why not? The main issue here is that the Jews have this "talent" to tell stories and stir things up. So we end up with a Kosher world view that dictates our daily lives.

You seriously need to find out who Noam Chomsky is. Have you read any of his hundreds of anti-rightwing books? I have and he's a hero to the left. Not all jews are evil even if secret right-wing jew Alex Jones says so - because he likes Trump Jones has been invited to attend White House press conferences now, did you know that? But you take his odious word over Noam Chomsky's, the guy who has more integrity and passion for truth in his little finger than Jones has in his entire bloated body?

And now Bannon and Pence effectively run the NSC they can 'legally' order extra-judicial assassinations on Americans now - i.e. false flags, plane crashes and 'heart attacks' to take out the remaining democrat opposition. Bye bye free world.

Chomsky is a very clever dis-information & gate-keeping practitioner for the Bolshevik / Trotskyite faction of the Trotskyite versus Stalinist rivalry for rule of the world ;
He is also a Zionist.

Republican Party of USA are of Stalinist faction.
Democrat Party of USA are of Trotskyite faction.

Both Parties are rotten.

Alternative to that dialectic of Left versus Right ;

Person should be self-sufficient.
Then their locality should be self-sufficient.
Then their region should be self-sufficient.
Finally, their country should be self-sufficient.

Free-enterprise is an intrinsic choice for the self-sufficiency model.
There should be minimal government involvement in peoples' lives.
However, there should be obligatory national service of some years duration between 18 & 26 & subsequently 1 month every year.
As such there should be no big block of "permanent" civil servants.
Rather, every citizen is a civil servant ;
Specifically, they are an acting civil servant for the above periods.
Also, there should be a welfare state ;
Specifically, it should be as "basic income".
And, this basis very much determines that there can never be a monster department of social welfare.
Upon leaving homestead of their rearing -- present examples family home [eternal organic home], child institution / prison -- all citizens are given into their own name as special category "private" property for they to own for duration of their life & their family members until such time as they get similar, nominal home space from public property that they can transfer to another location of the country.
Thus, never homelessness.
A person can purchase another dwelling for private ownership if they wish.

Chomsky is of spook family.
Miles Mathis I seem to recall thinks he was recruited as operative by the Mshd-CIA-KGB-MI5 / MI6 intelligence operations of the Banksters for to usher on 1 world regime of Communism when he in Israel on kibbutz -- in Israel of course -- early in his marriage.
And, Chomsky is suspected of being trained at Tavistock shortly after his stint on kibbutz.

Further to Chomsky being a gate-keeper is that he constantly seeks to quash discussion of who exactly was behind assassination of USA President John F Kennedy.
Ditto the 9-11 false flag.

Gilad Atzmon is on the ball about Chomsky ;

Sorry to burst ur bubble that Chomsky is really a Chump even though he is beguilingly charming ;
He is so because he seeks to effectively obfuscate & nullify the real discussion & instead lead u down useless rabbit-holes.
